Subject: How Supervision Works in GC/MS

Follow Up Flag: Follow up
Flag Status: Completed

When operators encounter problems in the GC/MS laboratory, please bring it to my attention directly so we can work out a plan of action. If it is something I feel comfortable delegating to someone else, I will let you know. Otherwise, I may choose to deal with it myself.

Thank you,

Peter Piro
GC/MS Laboratory Supervisor I
Department of Public Health
Hinton State Laboratory Institute
Forensic Drug Laboratory, Rm 361
305 South Street
Jamaica Plain, Ma 02130
617-983-6634
